

**Product Name :**  
Vocational Alternating Current (AC) Circuits Kit

**Product Code :**  
ASTLAB-SCT-19022

**Description :**

Vocational Alternating Current (AC) Circuits Kit

**Technical Specification :**

- Vocational Alternating Current (AC) Circuits Kit Afghanistan
- Vocational Alternating Current (AC) Circuits Kit Algeria
- Vocational Alternating Current (AC) Circuits Kit Angola
- Vocational Alternating Current (AC) Circuits Kit Bangladesh
- Vocational Alternating Current (AC) Circuits Kit Botswana
- Vocational Alternating Current (AC) Circuits Kit Brazil
- Vocational Alternating Current (AC) Circuits Kit Cambodia
- Vocational Alternating Current (AC) Circuits Kit Cameroon
- Vocational Alternating Current (AC) Circuits Kit Congo
- Vocational Alternating Current (AC) Circuits Kit Dubai
- Vocational Alternating Current (AC) Circuits Kit Ecuador
- Vocational Alternating Current (AC) Circuits Kit Egypt
- Vocational Alternating Current (AC) Circuits Kit Ethiopia
- Vocational Alternating Current (AC) Circuits Kit Ghana
- Vocational Alternating Current (AC) Circuits Kit Indonesia
